INTRODUCING OUR NATURAL ORGANIC PERFUME OILS

These new perfume oils will not only surround you with beautiful fragrance, but also give you a dose of mind strengthening aromatherapy. Our perfume oils are based on natural organic vegetable oil of Sunflower, Jojoba and Meadowfoam and comes in the different scents of Myrrh, Petitgrain and Hinoki. The organic vegetable oils are rich in Omega-6 and E-vitamin as well as moisturising and protecting for sensitive skin. The different scents will act calming, focusing or relaxing depending on what scent you choose.

Nº 172 PERFUME OIL MYRRH

PRODUCT: Organic scented oil with Myrrh and Cedarwood. The scent is sweet and woody, calming and will raise your concentration. In aromatherapy Myrrh is used to release tension and anxiety. It is also known for its anti-ageing properties as Myrrh is slightly astringent. Apply on your pulse points for an aromatic calming and focusing effect.
